DAKOTA

 **THREE COLOURS**  **ONE SIZE**  **ONE FINISH**

Introducing Dakota, our new stone-effect glazed ceramic wall tile range, offering a stunning and realistic alternative to natural stone. The large format 600x300mm size makes them perfect for any residential or commercial application, creating a visually striking impact on any wall. The mineral vein detailing and matt finish on each tile creates a naturalistic look that is reminiscent of real stone, adding depth and character to any space and creating a harmonious blend of nature and modernity. The low maintenance requirements and timeless, classic colour palette of Sand, Pebble and Basalt, ensure they will continue to look stunning for years to come. As a versatile and stylish option, Dakota are sure to enhance any interior design scheme.

Sand Matt 600x300x8mm - DAK01A

Important Information

During the manufacturing process of ceramic and porcelain tiles, some variation in shade and pattern can occur. Before fixing any tiles; several boxes should be opened and their contents mixed to ensure that size, colour, shade and patterning are acceptable. The tiles shown are quality products and conform to the physical properties listed. For a comprehensive colour, size and finish overview along with full technical and sustainability information for all of the product shown in this product presenter, please visit our website - www.johnson-tiles.com.

- All sizes shown are metric modular.
- For specific suitability details please contact our Technical Advice Helpline.
- Johnson Tiles cannot accept responsibility for tiles that have been fixed.
- Every effort has been made to ensure the accuracy of the information given.
- Johnson Tiles reserves the right to change specification and availability information without prior notice.
- Nothing in these statements does/will affect the statutory rights of the consumer.

© Johnson Tiles, Johnson, Absolute and Material Lab are registered trademarks and together with Kerastar and product names are the trademarks of H&R Johnson Tiles Limited and licensed to Norcross Group (Holdings) Limited trading as Johnson Tiles. © 2024 Johnson Tiles. All rights reserved.

All product technical values quoted in this product presenter are supported by laboratory testing from our own and independent ceramic test houses. Johnson Tiles are British Standard registered and all products conform to the standards set in BS EN 14411.

For the reassurance of single-source supply, Johnson Tiles offers a free of charge NBS M40 specification writing service featuring a range of tile fixing products. To find out more or for any questions or queries relating to any tile related technical information featured in this product overview, please contact our Technical Advice Helpline on +44 (0) 1782 524 111 or email dduntop@johnson-tiles.com

The colours shown in this product overview are as accurate as printing processes will allow. Please refer to actual product samples before specifying. Every effort has been made to ensure the accuracy of the information given.
